

Chairperson's Report 2010

Dear HPG Members:

On Behalf of Hornell Partners for Growth (HPG) I would like to personally extend my gratitude to each of the HPG Board Members and the Businesses Members. The united support everyone provides helps us in our continued efforts towards enhancing our business community. Your perseverance has made the Hornell area more appealing for Owners, Merchants, Consumers and an enormous amount of Pride in our community a top priority.

A great deal of all of what HPG has accomplished is due to the dedication of the HPG Board of Directors, the drive of our current Executive Director and the corporative help of the City. The efforts and hard work set forth by these individuals is a tribute to the success of HPG.

I appreciate their support and look forward to their continued effort.

We will continue to work diligently to develop and organize HPG Programs and Events.

I look forward to another successful year, and I am grateful for your continued support.

Sincerely,

Steve Peck
